BIO

WHO IS SHE ? I am **Anastasiia Pasichnyk**, actress, artist and musician. She was born in Kharkiv in 1999 under the sign of Pisces. I have higher acting skills and the ability to play the flute while sitting on a twine, but that's not it. I started painting portraits at the age of 18 and it turned out very well, even Hamlet Zinkovsky said that I needed to paint more. So I started drawing posters of performances, animations and my thoughts and people. I love art history, people and nature. My work is a reflection of the "corners" of life that I want to draw people's attention to. These angles are various situations, problems, or emotional experiences or philosophical reflections.

WHAT SHE WANTS?

My goal is to give energy to emotions. I want to shock in different ways and give visual orgasms
